Enrolling your student's BYOD Laptop to Fitzgerald State School

Enrolling to Fitzgerald State School's network will **NOT** be able to begin until school returns in 2025. This is due to students requiring new password at the beginning of each year.

In the first week of Term 1 Years 5 & 6 students will be provided with their EQ Username, Password, a complete step by step guide on how to enrolling their BYOD laptop and the Fitzgerald State School BYOD Charter for 2025.

Fitzgerald State School uses Microsoft Intune software which is a secure mobile management system that allows personal devices to use school Wi-Fi, emails, learning applications and websites.

There is no cost for your student to use Microsoft Intune and Microsoft Office 365. Any additional software required for classroom activities and assessments will be provided and managed by Fitzgerald State School. It is recommended to purchase a suitable Anti-Virus software.
